Kingsmead U.K. Cultural Exchange Programme

Dear Parents

DPS Sonapat has always been a pioneer in introducing new and ingenious ways of learning for our students. The emphasis is always on such programs that offer the students broad based benefits and outcomes. And **Student exchange programs** fit right into this mould by offering the following:

- International learning and knowledge which propels the students towards acceptance and understanding of an array of different cultural and community perspectives.
- Language acquisition which is achieved through practical immersion.
- Self-development and awareness leading to enhanced self-confidence and self-esteem.
- Maturity and social poise, fuelled by the necessity to confront challenges outside a familiar support network and comfort zone.

In continuation of our efforts to bring the world to our students we are pleased to bring our cultural exchange program with **Kingsmead School, UK** for students of **Classes VI** up till **Class XI**. Founded in 1904 Kingsmead School is an independent school on the tip of the Wirral peninsula in the North West England situated just an hour away from Liverpool and Manchester, the Roman City of Chester and the Snowdonia National Park. The school is built on a 23 acre campus that includes several of its original Victorian buildings.

About the Program

This 10 day program offers unique opportunity to the students to sample all aspects of a typical school year in a British Boarding School and to undertake curriculum based studies supported by a variety of exciting trips and excursions.

Kindly check your wards login for detailed information about the itinerary, inclusions, consent slip and cost.

Regards

Prachi Sharma
Coordinator-Beyond School.
