

DELHI PUBLIC SCHOOL-SONEPAT

DPSS/ADMIN/19-20/03

26 April 2019

Dear Parents

Greetings !!!

The GREEN Olympiad is an examination on environmental issues for school students being organized by The Energy and Resources Institute (TERI). The examination is designed innovatively to test the knowledge of students and also educate and sensitize them in the process. The examination serves a dual purpose of both testing the environment quotient of students and also enhance their understanding on various issues related to sustainable development.

GREEN Olympiad is a written examination comprising objective questions that test environment awareness and analytical skills of students. Questions on a range of issues related to water, waste, energy, air, agriculture, urban landscapes, biodiversity, climate change, and sustainable development are included in the examination.

"Education must inspire the belief that each of us has both the power and the responsibility to effect positive change on a global scale."
