

**DELHI PUBLIC SCHOOL, SONEPAT**

**WELCOME LETTER**

**ACADEMIC YEAR (2018-19)**

**Dear parents**

**Knowledge is precious for a child who sees the world through the eyes of his or her mentor. This year I have the opportunity to become the mentor of your child and feed your child with knowledge and discipline. As the session begins, our goal is to create self – sufficient and independent citizens with an enthusiasm for learning and respect for self and others. I will put in all my efforts and experience to make them grow into a good human being. I do expect your kind support and motivation for the same. Together we can and we will!**

**A brief introduction to classroom routines and policies to be followed :**

- **Communication:** It includes email/login/sms, meeting with prior appointment, broadcast group and phone call incase of a query or emergency.
- **Almanac :** It is a tool for smooth interaction between a facilitator and a parent. It keeps you updated about school activities, holidays, reading rocket award and day to day home assignments.
- **Attendance :** Regular attendance is a must. Child taking leave for more than one day should always bring leave application. Incase leave is needed with prior knowledge mention in the almanac a day before or send a written note in the almanac when child comes back to school. Incase of medical reason send a leave letter with medical certificate.
- **Uniform :** Wearing I-card is mandatory. The bus route incharge will not allow the child to board the bus if the child is in improper or incomplete uniform. Neat and clean ironed uniform, polished shoes with trimmed hair and nails are the pre-requisite to attend the school daily.
- **Earth Hour :** We believe in spreading the awareness of environmental issues by observing Earth Hour. As we have celebrated Earth hour worldwide on 24<sup>th</sup> March. Our school also follows Earth Hour on every Friday from 7.30a.m. to 9.30a.m.by switching of lights, fans and Air conditioners.
- **Colour Pencils :** There will be specific colour scheme to be followed for all the four UT's. Children will use these colour pencils for underlining notebook work:
  - **UT 1 – Green**
  - **UT 2 – Purple**

- UT 3 – Orange
- UT 4 – Pink
- Clubs : Clubs offers opportunities to the children to become self-independent and efficient.

Our school offers the following clubs :

- ❖ ESSA (Eco Sensitivity and Social Awareness)
- ❖ CWF (Cooking Without Fire)
- ❖ Cybernatics
- ❖ Life Skills

- Activities : During the academic year there will be various classroom activities, events and celebrations. I request you to attend these functions as without your support and encouragement these cannot be successful.
- Sports is an integral part of our school. From this session we will have Ashish Nehra Cricket academy and Pinnacle Table Tennis academy along with other sports like Golf, Football, Basketball, Lawn Tennis, Skating and Swimming.
- Mid day meal facility is provided to the children at nominal charges. A healthy, nutrition-rich breakfast with a variety over the week is prepared fresh and in hygienic conditions.
- Day boarding facility is available where the children can stay in school campus till the evening games at nominal charges. No school transport will be provided in the evening.
- We emphasize on organic learning where learning is pulled by the learner and not pushed.

Looking forward to your support and co-operation for the new session.

Sincerely

Ms. LIPI SARKAR

Class facilitator
