

**Jindal Global Summer School,  
Aspire India Scholars Programme  
(AISP-for IX to XII ) 2019**

Dear Parent,

Greetings from O.P. Jindal Global University!

We are organizing a unique summer school programme this year for high school students. Aspire India Scholars Programme (AISP), Jindal Global Summer School (JGSS) 2019, a programme under the aegis of the International Institute for Higher Education Research & Capacity Building (IIHed) of the O.P. Jindal Global University (JGU). This unique two-week fully residential Summer School (2 June – 16 June 2019) has been designed by JGU faculty members to mentor high school students (IX, X, XI & XII Standard) through their crucial transition from high school to higher education.

The AISP curriculum will provide global perspectives, holistic learning, and ethical engagement for students through theme-based experiential learning modules in 8 interdisciplinary areas – Law, Justice, and Democracy(LJD); Business Management, Leadership, and Entrepreneurship (BLE); Diplomacy, International Relations, and Peace (DIP); Economy, Public Policy, and Development (EPD); Liberal Arts, Culture, and Humanities (LCH); Media Communication and Public Affairs (MCPA); Architecture, Planning, and Sustainability (APS); and Banking, Finance and Accounting.

This programme will also provide students an opportunity to interact with real life young achievers as role models from the field of media and communications, law, business, public policy, social entrepreneurship, creative writing, publishing etc., alongside mentoring for their crucial transition from high school to higher education.

This programme aims at preparing students for the critical transition from high school to higher education. It will help students prepare for highly competitive admission process for higher education nationally and globally. It will also provide the students an exposure to interdisciplinary curriculum to meet the skills and

knowledge requirement of 21<sup>st</sup> century. Individual mentoring will empower students to realize their interest and career prospects.

**Programme Fee: Rs 30,000 per student (inclusive of GST)**

The fee includes course material, workshops, field trips, counselling, tutorials, mentorship, and tuition. It also includes facilities like access to our library, gym and sports facilities, Health Centre, accommodation for two weeks (sharing basis), 24-hour Wi- Fi, laundry, breakfast, lunch, evening snacks and Dinner, and local transport. Please note that all students will receive a participation certificate after completion of the summer school. Please feel free to contact us if you have any question. We can also make an appointment to visit your school campus with hard copy brochures and make a presentation for students, teachers and parents. It is a two week fully residential programme.
