

Dear Parents

Summer is a time to visit new places, connect with new friends (or reconnect with old ones), and embark on adventures that can range from setting foot in an ocean for the first time to creating an elaborate tree fort in the backyard. When the sun is shining and the outdoors beckons, can new discoveries and adventures be far behind? Let's welcome summers accompanied by the majesty of vacation galore. A lot to be reviewed; lot more to be accomplished.

A Brief Review- April- May, 2018

The session commenced with full sway on April 3, 2018 and the faculty and students got much time to connect , interact, acquire and assimilate. We deeply regret that so far a formal convention of parents and teachers could not be possible due to ongoing repair of roads around Khewra, but we assure that your wards have been monitored at each step and facilitated to bring the best out of them. Through login updates, telephonic conversations, emails and broadcast groups we have tried to bridge the communication gap to our best capacity.

We firmly believe that as accessibility through road network improves, we the faculty at Delhi Public School will able to communicate with you all during upcoming PTM in August and will acknowledge all your queries and satisfy them in the best of our ability. Till then please feel free to communicate via any of the above mentioned communication channels.

OUR ACHIEVEMENTS

ADMISSION IN FOREIGN UNIVERSITIES

Our students have Secured Admission in reputed Foreign Universities

1. KANISKH CHAUDHARY (B.B.A.) ESSEC School of Business , France

ADVENTURE PROGRAM

A **ADVENTURE PROGRAM** has been organized to Bir Near Dharamshala from May.24,2018 to May.29, 2018 for the students of class XII. The aim of this tour is to put our student amidst nature and foster in them a spirit of adventure along with creating awareness about the need for environment conservation.

Presentation by Saint Marys and Huron at Western For Classes XI and XII

Ms Lauren Cullen, Admissions Advisor, Saint Marys University, Halifax, Nova Scotia and Mr Moustafa Ezz, Admissions Advisor, Huron at Western University, London, Ontario visited campus on April 25, 2018 to interact with students of Classes XI and XII. They were accompanied by Ms. Anjali Seth, CUAC representative in India.

The presentation started with a small introduction by Ms. Anjali about CUAC and then was taken over by Ms. Cullen. She gave a brief glimpse of life in Canada to the students and talked about the benefits of studying in Canada.

Prayer Service cum Orientation for New Session-XII

Delhi Public School, Sonapat embarked on the new academic session 2018-2019 with blessedness and a lot of enthusiasm. The school organized *Prayer Service & Orientation Programme* on Saturday, 10 March 2018 wherein all the students of class XII, parents and teachers participated wholeheartedly. The students were taught the significance of education and the *Havan* or *Puja* being performed and ended with the *purna aahuti*. Thereafter, the recital of prayers from the holy Quran, Bible and Gurbani created an aura of sanctity all around followed by the distribution of a *prasada*

Ms Shraddha Tripathi highlighted the disciplinary norms of the school and its expectation from students to be an ideal example for their peers. Mr Sanjog Malik talked about the school well equipped transport and traqr system followed by Senior School Coordinator, Mr Deepak Dahiya who talked about general guidelines and communication channel. Mr Rajat Sharma familiarized the gathering with various social outreach programmes and projects initiated by our school promoting the concept of Organic Learning emphasizing the need to be Eco sensitive for holistic development

Presentation by Saint Marys and Huron at Western For Classes XI and XII

Ms Lauren Cullen, Admissions Advisor, Saint Marys University, Halifax, Nova Scotia and Mr Moustafa Ezz, Admissions Advisor, Huron at Western University, London, Ontario visited campus on April 25, 2018 to interact with students of Classes XI and XII. They were accompanied by Ms. Anjali Seth, CUAC representative in India.

The presentation started with a small introduction by Ms. Anjali about CUAC and then was taken over by Ms. Cullen. She gave a brief glimpse of life in Canada to the students and talked about the benefits of studying in Canada. She pointed out that all universities in Canada are funded by the Government and hence the quality of education remains the same across all institutions.

Presentation by University of Waterloo

Prof. Brendon Larsen Associate Dean, Undergraduate Studies, University of Waterloo interacted with the students of Classes XI and XII on April 12, 2018. The venue for the presentation was MMR-II and the topic was Biodiversity and why does it matter to human beings.

Prof. Larson started his presentation by drawing an analogy between the juggling of balls and the balance in nature. Even if one element is out of place it can lead to the collapse of the entire system. He then moved onto describe how our biodiversity is under threat due to several manmade factors and how we are losing so many plant and animal species to global warming, climate change and pollution.

SALIENT FEATURES FOR THE SESSION

SOCIAL OUTREACH PROGRAM

An able and aware citizen is what we aim to make children at school. They need to grow up into socially responsible, ethical and empathetic human beings.

For this , it is mandatory to take up 30 hrs internship at an NGO that has tied up with the school or any other association and provide the proofs to the SOP coordinators. Students will be awarded credit in their Examination marks.

We expect your full- fledged support to encourage your wards to join such programs especially during summer break. **A list of NGOs has already been uploaded in the students' and parents' login.**

ORGANIC LEARNING

The school has the student driven initiatives to achieve organic learning. These initiatives are **Vermi-Composting, Organic Farming, Paper Recycling, Solar Energy, Newspaper Recycling and Community Cleanliness Drives.** `Cheeni kam – cheeni Band` is a project driven by the students to be health conscious by reducing the crystallized sugar intake. We do have **water harvesting** at our school, another way of sustainable development. Our students and teachers of middle school spent 10 days at **Shri Anna Hazare`s** village **Ralegaon Siddhi** to be face to face with the real sustainable life style to support the environment. Our school is a **No Plastic Zone.** The school observes **Earth Hour** every Friday, when the electricity supply is cut for an hour except for the essential services.

Ashish Nehra Cricket Academy

The school feels that professional training in cricket , the most popular sport in India, would open great opportunities for our cricketers, to play for the country at state to national level and also grab a place in global tournaments. Welcome to Ashish Nehra Cricket Academy at DPS Sonapat, conceived and streamlined by Mr. Ashish Nehra, an ace cricketer. The registrations are open, please register. The school has invested generously on the equipment and coaches under the guidance of Mr. Nehra. The cricket field will have the professionally designed cricket pitches, lush green field and most modern equipment such as bowling machine, electric roller etc. along with highly professional coaching.

Pinnacle Table Tennis Academy

The Pinnacle Table Tennis Academy, established in 2009 is one of the most sought after professional coaching centres in the entire country. With the aim of providing holistic training and whole brained scholastic experience, we are introducing the Residential T.T. Academy at DPS, Sonapat to provide an opportunity to aspiring players to learn through fully immersed training environment and gain experience by rubbing shoulders with proficient coaches, senior players and renowned sports personalities in our state of the art brand new Multi Purpose Air-Conditioned Hall.

Wishing for the best for rest of the session 2018-19

Warm regards

Deepak Dahiya
Senior Sec. School Coordinator
