Introduction of two levels of Mathematics for All India Secondary School Examination for class –X for session 2019-20

Dear Parent

This is to inform you that from this session (2019-20) CBSE has decided to introduce two levels of examination in Mathematics for the students who are going to appear in the Board examination for the academic session ending March 2020 onwards. This will give students the freedom to choose the difficulty level of the examination that they think is appropriate for them.

The details of this scheme are as under

- Student can choose between two levels and send the consent form attached latest by Aug 1, 2019 to the class teacher.
- In case student fails at any level of Mathematics, he/she can appear in the compartment examination as per norms of the Board according to the options given below:

In case of failure in	Compartment options
Mathematics -Basic	Mathematics-Basic
Mathematics-Standard	Mathematics Standard or Mathematics- Basic

- Student qualifying basic level in board exam can take standard level exam at the time of Compartment exam if he/she wants to.
